South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Lake View High School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by ensuring that all educators, students, parents, and community members have been provided the knowledge necessary for our students to meet the ever changing challenges of our global society. Our school serves academically and athletically talented students in grades 6-12. Lake View High School has been the recipient of the impressive Palmetto Gold award six times. In the past five years LVHS has improved its Annual School Report Card Absolute Rating to Good and has improved its Growth Rating to Average. These accomplishments honor the outstanding work of our teachers, parents, and especially our students. This academic achievement represents the high expectations for which students, as well as teachers, strive to attain. With this outstanding achievement, LVHS continues its commitment to the mission of developing lifelong learners and producing students who not only are able to function in an ever-changing technological society, but who contribute to it, as well.

The Lake View High School faculty and staff are committed to building rigorous, relevant, and positive relationships to enhance student learning and achievement. Curriculum planning and implementation of standards-driven and research-based instructional practices continue to guide student learning and achievement. Comprehensive student assessment plans designed to enhance learning skills for the 2014-2015 school year is based on the analysis of longitudinal student test data.

Student learning continues to improve as evidenced by increased achievement scores. Numerous resources such as Tutoring, Mentoring, Military ASAB testing, Career Counseling, PAXIN Program, Credit Recovery, various software packages, and Trinity Behavior Counseling are utilized to assist in identifying and aiding At-Risk Students. LVHS students are able to receive dual credit (high school credit as well as college credit) which allows those who successfully complete specific coursework to give them a head start into their next level of education beyond high school.

The talents, strengths, and skills of students, parents, teachers, and community members must be combined and used to enhance the academic and social success of our students in order to provide them with the highest quality of education. Lake View High School is committed and determined to provide quality educational experiences which reward our community with citizens that are skilled and who are life-long learners and productive citizens of our society.

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
14.9	2.1	14.9	8.5	2.1

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
